Forward-looking statements provide the Company's current views, expectations, or forecasts of future events and performance, and include statements about our expectations, beliefs, plans, objectives, intentions, assumptions and other statements that are not historical facts. Words or phrases such as "anticipate," "believe," "continue," "ongoing," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project" or similar words or phrases, or the negatives of those words or phrases, may identify forward-looking statements, but the absence of these words does not necessarily mean that a statement is not forward-looking.

Among the factors that could cause actual results to differ from those expressed or implied by a forward-looking statement are those described in the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report on Form 10-K, as filed with the SEC on March 14, 2016 and in the Company's Quarterly Reports on Form 10-Q as filed with the SEC. The Company is not under any obligation and does not intend to make publicly available any update or other revisions to any forward-looking statements to reflect circumstances existing after the date of this release or to reflect the occurrence of future events even if experience or future events make it clear that any expected results expressed or implied by those forward-looking statements will not be realized.
