WHO WE ARE

Pzena Investment Management is a value-oriented investment management firm, serving the needs of our global client base, including institutions, individual investors, and financial professionals. We employ a disciplined, research-driven approach to value investing.

1 Unwavering Discipline

We seek to ensure that human emotions do not override good research by strictly adhering to our value discipline throughout all market conditions.

2 Fundamental Research

We perform intensive bottom-up research, including financial analysis, field work, and management engagement.

3 Global Perspective

Our staff is distinguished by a diverse set of backgrounds, brought together by a shared view of value investing.

WHAT WE DO

We seek to buy good businesses at low prices, focusing exclusively on companies that are underperforming their historically demonstrated earnings power. We perform fundamental research to determine whether the problems that caused the earnings shortfall are temporary or permanent. Emotional investors tend to overreact to near-term events, leading them to undervalue distressed companies, but we see undervaluation as opportunity. We separate fact from emotion through a research intensive investment approach applied within a consistent framework.

PZENA Investment Management

"Value isn't a factor. It's a philosophy."

COMMITMENT TO VALUE

Pzena has adhered to a classic value, research-driven investment approach since its inception in 1995. We do not tolerate "style drift," which we believe sacrifices long-term returns.

DEDICATED TO CLIENT SERVICE

We aspire to deliver on our commitments and obligations to our clients at the highest possible level of service. We cultivate long-lasting client relationships, striving to serve as your trusted partner.

ALIGNED THROUGH OWNERSHIP

Our firm is 100% privately owned, and employees across the firm are eligible to be invited into the partnership. All of our long-tenured investment team members are equity owners, and all portfolio managers are invested in the strategies they manage. We believe a tangible stake in the business fosters a shared purpose with clients.
